

Flower Brooch

To make flower:

- Bring points A and D to center. Hold in place. (Will look like 2 envelope flaps.)
- Bring points B and E to center and hold or pin in place. (Will look like a kite.)
- Bring points C and F to center and hold or pin in place.
- Secure with a few hand stitches.

To make stem:

- Cut stem from fabric (on fold) as indicated.
- With right sides together, sew $\frac{1}{4}$ " seam leaving top open for turning.
- Turn and press.
- Sew to back of flower at any straight edge.

Finish:

- Prepare yo-yo and sew to center of flower. May add buttons or other embellishments as desired.
- Attach bar pin or safety pin to back.
