

July 27", 2011

The meeting was called to order at 10:00 a.m. by Linda Kroenlein. It was announced the meeting would be short and sweet because of members attending the class scheduled the same time as the meeting. No new business was presented. There were 38 members in attendance. Show and tell was done with several wonderful displays of the talents of our member. A short break was taken.

Ary Anderson then did a demonstration of the disappearing 9 patch. The bank was to be available til 4:00 p.m. and several members were going to stay and sew. After 10:45, I was not at the meeting as I had to leave for work.

Respectfully submitted
